

MEM Maths Masterclasses 2022

4 Saturdays in the Autumn Term - 9:30-2:30

Dates and provisional venues:

15th Oct – Liverpool Maths School
5th Nov – Liverpool Hope
19th Nov – Ridgeway High School
3rd Dec – University of Liverpool

The Masterclasses are a series of interactive talks, problem sessions, workshops and hands-on computer experience aimed at pupils who are able and enthusiastic in mathematics.

**LIMITED PLACES
AVAILABLE!!**

Can you 'solve' these?

$$\sqrt{-1} \ 2^3 \ \sum \ \pi$$

$$\int \frac{1}{cabin}$$

$$2 \ \infty + >$$

Masterclass network

TEACHER-NOMINATED PLACES

Teachers may nominate **up to four pupils** from their school to take part in the Masterclasses, at a cost to the school of £25 per pupil.

The pupils must be in **Year 8 or 9 during 2022/23** and must **not** have attended a previous MEM Masterclass series.

- To nominate your pupils, first check <http://mathsmerseyside.org.uk/masterclasses-2022> to see whether places are still available.
- **If so,**
 - Click on the link on that webpage to complete a short form to register your school for places.
 - We will process your request and add your school to the list.
 - We will then email you a link to pass to the parents / carers of the pupils to apply for places on behalf of their son / daughter
 - A consent form will be emailed soon after to the parent / carer
 - Parents / carers then print the form, sign it and return it to the address below:

Chris Marchant, Mathematical Sciences, University of Liverpool, Peach Street, Liverpool, L69 7ZL

NB Faxed or scanned consent forms cannot be accepted.

Please note that the online form works in Chrome, Safari or Firefox or on most smartphones, but Internet Explorer and Edge can cause issues!

Places are allocated strictly **first come, first served**, based on when signed consent forms arrive at our office. It is not possible to reserve places in advance for pupils and registration is not complete until a signed form is received.

There is an absolute deadline for returning forms of **Friday 30th September**. However, please bear in mind that we may reach maximum capacity before that deadline, so we recommend that you don't delay.

Please note that whilst we will make every effort to run the 2022 series, we may need to cancel if the COVID-19 situation deteriorates in the Autumn Term.
